## THE ENCHANTED FOREST & SKYTREK

Rocky & Juliet Ehlers and their family have continued with the dream since 1989 and recently were awarded as one of the Top 10 Business People Of The Year in the Kootenay Business Magazine. As Rocky says "I thoroughly love selling happiness. It's a great product to sell and I love our customers. People leave happier than when they came in the door."

Step back in time and into another world... the world of The Enchanted Forest. Doris & Ernest Needham started The Enchanted Forest as a life long dream and retirement project during the 1950s. Opened to the public in 1960's, it's a magical place where visitors can see, touch and step into the homes of fairytale heroes, villains and creatures that hold so many memories for so many of us.

Goldie Locks, Snow White, The Three Little Pigs even Capitan Hook.....

*Brings back memories doesn't it?*

Climb the spiral staircase to BC's tallest tree house that rises fifty feet into the forest canopy.

*Hike the interpretative nature trail and learn about the forest surrounding you.*

Feed fish, ducks and even paddle around our private lagoon of wetlands and beaver ponds.

*Picture this... you... that's right, you... amongst the treetops, swinging from tree to tree, flying through the canopy on zip lines, fighting your way up scramble nets, trying to manipulate your way across suspension bridges while trying not to look down at the forest floor more than 30' below...*

*Impossible, you say... too risky? too dangerous?*

Well then... you've never been to SkyTrek! The Enchanted Forest's new exhilarating adventure park!

The Enchanted Forest is located midway between Revelstoke and Sicamous, British Columbia on the Trans Canada Highway with ample pull through parking and open 7 days a week from mid-May to October. You can enjoy a picnic lunch and walk hand-in-hand through a lush forest with 800 year old cedars and shop in their unique Gift Shop. Pets are welcome and umbrellas are even available on rainy days. The Enchanted Forest is wheelchair accessible and fun and educational for the whole family!
